OFFICE OF PETITIONS

The above-identified application became abandoned for failure to file a timely and proper reply to a notice or action by the United States Patent and trademark Office as identified in Applicants Request to Reconsider Holding of Abandonment dated January 14, 2003. The Decision on Petition dated May 30, 2003, refers in the Opinion to amendment and arguments submitted in a reply filed June 18, 2001, but Applicants cannot find any amendment or arguments filed on or about that time. The opinion also states that a response submitted on January 15, 2002, is accepted but applicants do not have a record of a response filed on or about that time. The Advisory Action was provided to Applicants with the Decision on Petition. Applicants state that the entire delay in filing of the Notice of Appeal or continuing application was unintentional.

Applicants hereby petition for revival of this application and

- 1) authorize charge to Deposit Account 50-1086 for this Petition fee in the amount of \$1,300;
- 2) submit (attached hereto) a **REQUEST FOR CONTINUED EXAMINATION (RCE)** application in the event this petition is accepted;
- 3) state that since this application was filed after June 8, 1995, no Terminal Disclaimer fee is required;
- 4) State that the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

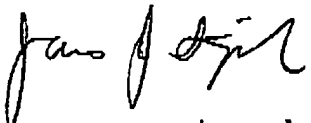

Applicants also authorize the Commissioner to charge any other fees that may be necessary to the deposit account 50-1086.
